

Siam Agarwoods Partnership Concept:

- 1. To save the Oudh/Agarwoods trees in the natural forests as much as we can. Our products must be made from the Oudh/Agarwoods trees which are planted in our registered lands only.
- 2. Production concept of Siam Agarwoods Partnership.

So in every system of our production concepts must be NONCHEMICAL METHODS.

Plantation with biosystem.

Stimulatation with biosystem.

Production of oil & resin with nonchemical system.

Siam Agarwoods Partnership Concept:
